

D'MATEO

D.O RIBEIRO

Winery Notes:

D'Mateo is made with the selection of grapes from terraces located in the region of Avia. A young wine made mono-varietally with its own production of the Treixadura variety.

Wine Making Notes:

The grapes were picked by hand in September before undergoing a whole-bunch cold soak for eight hours. They were then crushed and pressed and fermented for 14 days at 16 °C in stainless steel.

Tasting notes:

In the visual phase it is straw yellow with green and bright reflections. With a powerful aroma, elegant, fine and balanced, rich in nuances marked by its varietal origin.

The palate is tasty, sweet, and intense. With long and elegant post taste.

VINTAGE	2019
