

## Stone Cuvee

This wine is made of 90% ZILAVKA and 10% BENA, indigenous grapes of the sun washed Herzegovina region. Clean and refreshing, showing elegance and flavors of green apples, lychee and honey, scents of chamomile and verbena with a slight mineral tone. The ripe, warm flavors of apricot, star fruit and a hint of anise are coddled by juicy acidity, fine minerality and a long herbal-toned finish. Best paired with white meat dishes and seafood.
