

LES COUSINS
MARC & ADRIÀ

“L’INCONSCIENT”

D.O.C PRIORAT

Winery Notes:

Marc & Adria Perez are two cousins of the same age who grew up on farms and wineries. They both worked and traveled abroad in very diverse areas, but perhaps more than any other country, France with Bordeaux and the Rhone has marked them. Hence, the name of the winery and the wines: "Les Cousins" (in Catalan, it's written almost the same way).

"Les Cousins Marc & Adria" was born in the village of Porrera (Priorat). The area were they first started their experience in wine, where they grew up together and where they live today. They always wanted to begin something new from scratch, focusing on the old vines from the village of Porrera and using different types of vinification.

Wine Making Notes:

Harvest is done by hand using 12-kg boxes. The grapes are selected before getting in the winery. The grapes are destemmed and kept in stainless steel tanks. They undergo short macerations, from 6 to 10 days. They are crushed and stored in 7000-litre French oak barrels for 7 months.

Tasting notes:

Forward and gentle, with a very youthful nose of ripe fruits and hints of spices. Easy going texture, fresh and lively on the palate with fruit and a touch of well integrated oak. Clean fresh finish
