

Massimo

D.O RIBEIRA SACRA

Winery Notes:

From vineyards that were passed down generation after generation until reaching ours, centenary terraces located in the Ribeira of Vilachá, are looked after as before looking for the highest quality. Massimo is made with Mencia.. Our vineyards are located in areas of slate origin on granite mother rock, rainfall is scarce (between 750 / 1100mm per year) these are concentrated in the winter months and average annual temperatures range between 13º-14ºC

Wine Making Notes:

Selection of grapes happens in the vineyard itself, made in stainless steel tanks. at controlled temperature, alcoholic strength 12.5º, consumption temperature 16º / 18º C.

Tasting notes:

In the visual phase it is cherry red and purplish edging, elegant appearance. It is of medium high layer, with touches of red, tropical fruits and complex aromas of fine lees. It is silky and balanced in its gustative phase.
